

Back to the 50's Fun Run Saturday, September 22, 2001

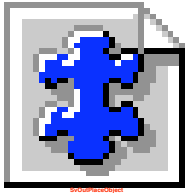

Welcome to the Back to the 50's Run. We'll travel some fun Miata roads, have two rest stops, and end with a great 50's Rock & Roll theme all-you-can-eat dinner.

Turn on parking lights. Drive safely; do not exceed your abilities just to keep-up. If the car behind you is too close or the one in front is too far ahead, pull over when safe to do so and wave the car behind ahead. At a turn if you cannot see the car behind you wait at the turn until that driver can see you and knows where to turn. We will queue-up whenever necessary to keep the group together.

Monitor CB channel 10 for info as we travel.

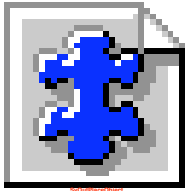

For appropriate "mood music" tune to:
