## Coronado Parade a Driver's Delight

Les Smith

**C**lose Up and Personal. This popular TV sports feature easily describes a driver's experience in Coronado's 4<sup>th</sup> of July Parade. Whether navigating Orange Avenue single file with a Marine General, beauty queen or dignitary aboard or two-abreast in the Club group, one is definitely in touch with the tens of thousands of parade viewers.

This closeness drew me back to this popular event in spite of the hurry up and wait preparations. Once underway, one eye is on the route ahead and the other on people, especially kids, seated about a yard away on the curb. And watchful for the occasional child who approaches the car for a high five or fist punch!

I took mental notes of the crowd comments, and asked other Club members what they heard. Here's a sampling:

"Are they still making Miatas?"

"How old is your car?"

"Nice ride!"

"Oh look! Oh look! It's winking its eyes!" as the Waid's Buzer caught their attention.

One person spotting the SDMC magnetics: "Mark (Booth) over at Albertson's is in that club also."

"You fit in this car?"

"Can I have a flag too?"

"Hi Carrie! See you tonight."

And City Council member Carrie Downey responding "See you later. Happy Fourth. Love your shirt, love your pants. Enjoy the holiday."

Ted Kessler heard an elderly lady in the crowd tell passenger Rep. Susan Davis: "Shoo, Shoo, keep moving you D-mn Democrat."

"No new taxes!"

From a three year old: "Look Mom, the wheels are going around."

Scott Lewis noticed people pointing while he did the headlight wink routine. "I actually kept it going for four whole minutes while rounding the left turn toward the Hotel Del. I amazed myself!"

The sound of the antique Coronado fire truck behind me running its siren through most of the parade.

Another driver did not hear the sound of the road apples (horsey turds) plopping to the pavement. "But, I sure could smell them the whole way!"

It is a crowd-pleasing SDMC tradition to have flags waving from every windshield wiper. Here, a patriotic scene in Coronado is captured by Les Smith

# Fourth of July in Words and Pictures

First I have to say that I loved the fact that 4<sup>th</sup> of July was on a Friday this year. Any excuse to not have to get up for work at "Oh God-hundred" the next day is fantastic in my book. This year was great because my parents, Don and Vicky Glass were able to join us for the 4<sup>th</sup> Of July festivities with the San Diego Miata Club. We got up at 4:30am on Friday morning, July 4<sup>th</sup>; my parents in our '06 striped Miata and David and I in the flamed Miata driving down the highway to meet our Miata friends at Perry's Café for a delicious breakfast. We caravanned to the Coronado staging place then brought out our talents and decorated our Miatas. The weather was a little hot after the marine layer wore off but it didn't matter. We were with our friends. FINALLY at 1-1:30pm we were ready to show our Miata colors with pride and parade down the streets of Coronado. Everyone on the sides of the streets were so happy to see us, they clapped and cheered as we paraded down the streets. When we were done with the parade and took our decorations off our cars, the Streeters and the Glass's ate "Lunch at the Rhino" Restaurant in Coronado. We laughed and ate like pigs.

After lunch, we drove to Chula Vista to Bonnie and Gene's house to

play a friendly game of Sequence. The girls vs. the boys, a tied game ended our break away from the heat. We all left their house to meet up with our Miata friends again at Tom's 23 for dinner, then decorated our cars again and cruised Grand for a while in Escondido. We ended our "All-American Alamode Star Spangled" night at the Hinkle's for fireworks and tasty goodies. I think this was probably the best 4<sup>th</sup> of July I have ever had.

Janice and I would like to thank everybody for coming out to the picnic to say 'see you later'. We appreciate all the kind words. But as everybody knows it's only see you later because we have the habit of returning to San Diego and SDMC. Take care and we'll be seeing you around the next bend.

Aloha, Jerry and Janice Boster

To All

Mike and I want to thank all of you who wished us well today at the picnic. We had a wonderful time -- the afternoon was filled with lots of laughs; so typical of Miata Club events. Today's picnic only added to our many, many great memories of all the events we have participated in these past eight years. Yep - it's hard to believe my little beloved Miata is 8 years old. How time does fly . .

Our heartfelt thanks to the club for our special memento picture that many of you signed, and for the engraved glass paperweight. Every time we look at them we will think of the San Diego Miata Club and our many friends we've left here.

Sincerely,  
robin :) & mike faircloth

The SDMC Annual Summer Picnic was a blast! The Miata Challenge competition was hilarious. I just reviewed some of the video that I shot and my little camera did a great job picking up the laughter and hoots from the "audience"... trust me... you just HAVE to see two of the videos in particular (poor Dan & Chris and Steve & Dennis). Funny stuff, indeed! At any rate, a big loud THANK YOU to everyone involved in the planning and execution! It was a wonderful day spent having FUN with friends and fellow Miata nuts! :)

## Prez Says

Thank you all for coming, it was obvious that everyone was enjoying themselves this afternoon. The Pit Stop Challenge was great and has given us all new memories.

This was truly a great send off for Boster's and Faircloth's!

See you at the monthly meeting this Thursday.

After attending yesterday's picnic, I would also like to chime in and say how much fun I had. I think that our President, David Streeter, and Secretary, Gabe Rivera need special recognition for the work that they did in preparation for the picnic. Yeah, there are people that work hard on the day of the picnic but these guys were working for months on the details to get it done.

Kudos to past President, Harold Schwartz for getting the Mazda Corporate money so that we could have such a great time.

I must commend my wife Laurie for coming up with the idea of the Miata Pit Stop Competition. As others have stated it turned out to be both fun and funny. I don't know that I have laughed any harder than when the Garcias finished their pit stop with only one minor problem. In a competition to put up your top, they completed everything but putting up their top.

I don't know if I have ever been "had" quite as effectively as I was by Rainer Mueller when he replaced my keys with his own as Dennis Garon and I staged ourselves for our pit stop. The irony is that this little key placement requirement in the challenge was my idea. I don't know if Dennis has been "had" that well before, but I know the look of frustration on his face as he tried to get Rainer's key to go into my ignition had to equal mine as I waited for him to put the windows up.

Oh well, all I can say is "Rainer, you better be looking over your shoulder. Revenge is best served cold."

I don't know if I'm the first or not, but I'd like to say thanks again to everybody whose hard work and dedication made the picnic a whole heap of fun! And next year I won't forget to drop the keys under the cone... :-) We had a great time, even if my attempt at getting Laurie to read my raffle number didn't result in winning anything. Curses! Foiled again!!!

Thanks again, Carl & Cheryl Kuck

5:40 p.m. – Drivers' Meeting

6:00 p.m. – Depart on leisurely run

The Santee Drive-in is 50 years old, opening in 1958. Dust off the ol' cobwebs to recall trivia of 1958 and drive-ins, or ask Mom & Dad what was hot back then (drive-ins and hot; hmmm...steamy windows?)

**About the Run** – Come and enjoy a leisurely summer evening drive, camaraderie with Club members and a little nostalgia at the Santee Drive-in as we gather to watch a summer movie under the clear San Diego skies.

We'll start the Run around 6:00 p.m. at the Chicken Pie Diner in Poway, and wind our way around (doing our best not to get lost leading our first run), to the Santee Drive-in around 7:30 p.m. If you can't make the Run, you can still join the group at the theater. We won't know what the movie options will be until a few days before the Run. They have two screens (with two movies each), so we'll vote on which movies to watch at the drivers meeting (Any guesses as to what year the second screen opened? (First correct email response gets a prize).

Movie admission: \$8 age 13 & up, \$4 kids age 5-12. Most members bring chairs to watch the movie from; audio is over the FM radio.

**Pre-Run eats** – Join us before the Run at the Chicken Pie Diner in Poway to enjoy a quick bite or home-style meal, including their famous chicken pies, shakes, and malts.

**Pre-Run prizes** – Do one of the following statements apply to you? Claim one and e-mail us ([Hobosrus@earthlink.net](mailto:Hobosrus@earthlink.net)) with a little info; if you're first, you win! (Must be present to claim prize).

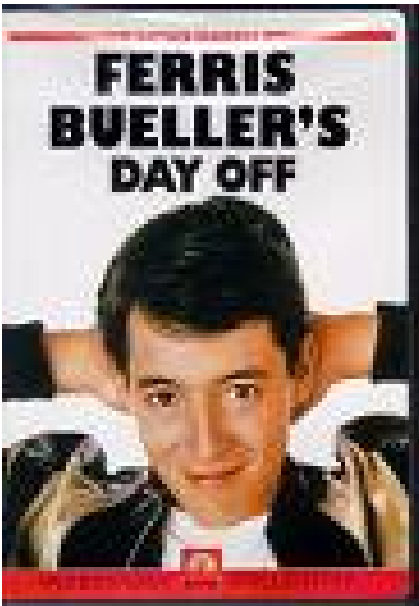

Born in 1958

Married in 1958

First date was to a drive-in theater [male and female prizes]

Lost your "innocence" at a drive-in [male and female prizes]

## Moon Over Miatas

**Date:** August 16, 2008

**Time:** 7:30 PM

**Meeting place:** Dudley's parking lot in Santa Ysabel

**Contact:** Steve Waid [swaid@cox.net](mailto:swaid@cox.net) (760) 432-0727

### Details:

Moon Over Miatas is a night run that we will be doing for the 4th year in a row. The concept is that we will drive from Julian down Banner Grade to S2 and across S2 to Interstate 8 under a full moon. In previous years the temperature has varied from 76 to 102 degrees as we transition through several elevation changes. The sky is rich with stars and the shadows cast by the moon on the mountains along side us make this a very special run.

We will leave Dudley's before 8 PM so be there at 7:30 not at 8. Because the Golden Acorn has closed their Cafe we will be making a pit stop at the Buckman Springs rest stop on the way home. It is about a 140 mile run before we have a pit stop after we leave Dudley's...so be prepared.

# Miatas at the Fair

Thoughts and photos by Diane Foster

Monday, June 30th was our last "Miata's at the Fair" to get back to our cars for the judging and get the day and what a great day it was. We all gathered at beautiful picture that Bob takes and mounts on the Albertsons a bit early and did some last minute polish foam board. We all compared our "bounty of stuff" we and shine while we drank coffee and chatted. I think purchased and some of us went back to the fair to buy there were 8 of us who paraded in, got our photo more.. It was a fun filled day from start to finish and it shoot and then got roped off for the display. The fair- made me feel very "elite" to see my "Mi Fun" roped grounds are really special when you get to wander off. I got the opportunity to meet and enjoy some around before all the crowds get there. Before you SDMC folks who I only knew by name...now we have know it, it's 10 am and the heat and crowds and smells a memory together. Thanks Bob and Steve for putting envelope you. And then the hours fly by and it's time this together !

Editors' note: Diane's car won Best of Show for the Miatas that day!

## Our Mission

The purpose of the club is to promote the enjoyment of, and enthusiasm for, one of the world's most exciting sports cars—the Mazda Miata.

Owning and driving a Miata is one of life's great pleasures, and adding the company and camaraderie of like-minded enthusiasts only enhances the experience. Won't you join the fun as we enjoy the beauty of San Diego County from the seat of a very special little roadster?

**Let's have fun driving our Miatas!**
