Presidents Message

Hi,

Well, the heart of the car club season is upon us. From May to September car shows, parades and club events abound.

In June, we cruised Grand Avenue in Escondido, had a Tech Day at Rocky's, and supported Maryanne and Dennis Garon's Fiesta de Vino. The Fiesta was preceded by a scavenger hunt/car rally that was a lot of fun. It was a hot day, a really hot day, but the rally and the Fiesta were good times and over \$6,000 was raised to support Gregg's Goals, a 501c3 nonprofit charity that awards college scholarships to North County soccer players.

In July, we cruised Grand Avenue, participated in two 4th of July parades (Rancho Bernardo and Mira Mesa) and three of the club's favorite events: the 19th Annual Twilight Run, the SDMC picnic and the Main Street America car show.

Mark and Cathy Booth led the Twilight Run from Rancho San Diego to the top of Mt. Laguna and back. As usual, the event was well-attended; we even had a bat that tried to join us at Mt. Laguna Lodge. The summer picnic was a great success with almost 100 people registered. Ginny McLaughlin led us from Mazda of El Cajon to Pam and David Hunt's home where we were treated to a great BBQ picnic, fun and games, and socializing. The root beer floats at the end of the meal were a nice touch. Main Street America Car Show was another great event with 380 cars registered. SDMC won the Club Participation Award for the third year with approximately 30 cars registered. SDMC members won four individual trophies and the event raffle's \$1,000 grand prize.

In August, we have members attending the Flyin' Miata Summer Camp in Colorado, we'll cruise Grand Avenue, participate in the Moon Over Miatas run, and visit the Petersen Automotive Museum. There is something for everyone.

Take advantage of the car shows, parades, and club runs. They are opportunities to show off our cars and talk to people. Someone is sure to ask, "do they still make Miatas?" Others will tell you that their friend or brother or sister or he or she used to own a Miata and will remember how much fun it was driving the car. I especially enjoy putting a youngster behind the wheel and watch the kid twist the steering wheel left and right and madly shift through the gears as the child mentally charges down a back country road. You can see a grin on the face as they hang the rear end out in the corners and punch it when they hit a straight away. Yeah, it's called hooking the next generation.

A Girl And Her Car

by Ginny McLaughlin

When is a car not just a car, but a whole new lease on life?

I've read many stories about different people and their cars or, in our case, the Miata. Stories like: What made them decide to choose their Miata, and where is their favorite roads they like to drive on?

The story about me and Marilyn Miata runs a bit different. With my long commute between home and work, I knew right off I wanted a smaller two-seater gray sports car that would be good on gas and fun to drive back and forth to work. I bought Marilyn as a birthday present for myself in May of 2009, and still enjoy every minute of her.

Three months after buying my Miata I was diagnosed with a large tumor on my ovary that was in the first stages of cancer, and was immediately hospitalized and prepped for surgery. After my surgery and being released to return home, I fell into a deep depression to where my family couldn't get me off of the sofa or out of my apartment. My daily routine consisted of going to and from work, and the occasional trip to the store.

Then one Saturday morning I met a man who was helping neighbors move out of their apartment. I watched him through my front room window walk back and forth by my car, while trying to get a peek of what I had under the cover. I finally got up and went outside and asked him if he really wanted to see what it was.

"YES," he exclaimed to me, and I proceeded to remove the cover from my baby.

The man was very excited to see that it was a Miata and started telling me all about what I had, and even answered several of my questions about it. After about 15 minutes of talking he asked me if I had ever heard of the San Diego Miata Club, and that he was a long-time member of it. I told him no and asked him for more information about it.

Later that night my daughter and I looked for the club online to see what it was all about, and after reading pretty much all of the newsletters my daughter decided that I needed to join because it would get me out of the apartment and back to having fun

again. After two months of pushing me into it I finally gave in and joined. And to this day I'm glad I did!

Joining the San Diego Miata Club gave me a reason to get out and meet people and do something other than worrying about what's going to be on TV tonight. I'm happy to say that things have gone up from here! I'm now Autocrossing and driving in parades, and the number of Miata friends I have met over these last three years has grown from the USA to all over the world! And I owe it all to my little Miata! Who knew that owning a Miata could help change a person's whole outlook on life and show them that, YES, life is meant to be lived!

I still have a long rough road ahead of me, and one more surgery I have to face. But I'm not going to let it get me down. I have too many Miata events to look forward to! At one of our Club meetings I was talking to Daryled and Neal about Marilyn Miata, and how worried I was about what could happen to her if anything ever happened to me. Daryled looked right at me and said "Ginny, no one will ever love your car more than you." Now that I think about it he's absolutely right! Marilyn was there for me when I needed a good kick in the pants!

2013 Rancho Bernardo "Spirit of the Fourth" Parade

By Jeff and Jan Frederick

Four SDMC members gladly responded to a request from the community of Rancho Bernardo to participate in their "Spirit of the Fourth" parade. This has been an annual event in which SDMC has participated for several years.

Rancho Bernardo has always appreciated support from the San Diego Miata Club, and this year was no exception. SDMC drivers this year were Neal Mills, Rosa Romero, Ginny McLaughlin and Jeff Frederick.

We provided vehicles for three "Teacher of the Year" honorees as well as the "Student Representative to Poway Unified School District Board." All four were thrilled to ride in our patriotically-decorated Miatas. We received a great deal of applause for the VIPs who rode with us as well as many "Nice Car!" shout-outs by parade observers.

Can't wait 'til next year!

Scavenger Rally – June 29th

On June 29 (a sizzling hot day), four brave teams ... the Eventors, the M&M's, the Tech Nerds, and a fourth possibly 'nameless group' ... of Miata drivers (nine cars) set out on a quest (better known as the Scavenger Hunt Rally) through the back roads of north San Diego County.

The Rally began at the former site of many SDMC events, the now-closed Dalton's parking lot. Steve Waid and the Garon's grandson, Cade, were there to greet the seekers, give them the rules and set them out on their quest.

At the start of the event, each team was given a packet with the route (pretty much correctly) laid out for them ... with stops along the way ... each with a clue they had to gather. The clues required the teammates to draw upon knowledge of popular culture, such as, the numeric name of a 2001 television series starring Kiefer Sutherland as well as the number of Everly Brothers.

More current skills were in order when the team had to take a digital photo of themselves in front of a vintage Helms truck and text it to Cade. Because no one in the Streeter team had arms long enough to get anything other than their faces a disqualification was in order due to the fact that no Helms truck was visible in the photo.

All teams had a good time on the rally, even indulging in a little competitive jockeying for position along the way. They arrived at the Wine Tasting Fundraiser ready to relax and have a few cold drinks, but their adventure wasn't over. The losing team, the M & Ms (Streeters) were awarded specially-crafted "plaques" proclaiming them to be "Clueless in North County," while the winners were awarded medals and tickets to the San Diego Auto Museum (which they donated back to the SDMC monthly meeting drawing).

Special thanks to Steve Waid and Cade Garon for helping this event work!

Main Street America Car Show

by Neal Mills

The Main Street America Car Show is an annual charity event conducted by the Corvette Owner's Club of San Diego (COCSD) for the benefit of the San Diego Center for the Blind. This year's show was held July 28 at Embarcadero Park North, near Seaport Village and was a sell-out with 380 cars registered.

There were foreign and domestic cars from 1920s to the present ... muscle cars and street rods, low riders and custom cars, Corvettes and PT Cruisers, HHRs and Thunderbirds ... and, of course, our favorite: Miatas. If you didn't find several cars to drool over, you just weren't looking. It was a gorgeous warm day. A little overcast in the morning with a blue sky in the afternoon. There was a breeze off the bay with lots of power and sail boats on the water.

SDMC made a great showing with over 30 cars and 50 members, in club regalia, participating. The Miatas were parked nearest to Sea Port Village so we were the first group of cars folks saw as they entered the park. We had 6 EZ-ups clustered together as our 'club house' with banners and the club flag proudly flying. There was nothing like it anywhere else in the car show. By the end of the day there was no one that was not aware of our presence and that SDMC was having a great time.

SDMC was also well represented when the trophies were presented. In the Miata Class, Laurie Waid took first place with her 2012 crystal white pearl mica PRHT and Carl Langston took second place with his 2013 copper red mica PRHT. In the 1973-2013 Foreign Class, Alan Kagan took first place with his 2003 Long Beach Blue Pearl NSX. In the 1997-2004 Corvette Class, Steve Waid took first place with his 2001 Millennium Yellow Corvette.

SDMC also won the Club Participation Trophy for the third year in a row. In addition, Christy Pluciennik won the raffle grand prize, a \$1000 Firestone tire certificate. Christy now has a decision to make. Tires for Autocross or tires for everyday use? What a dilemma.

Craig Moya, show chair, and COCSD did a wonderful job with the Main Street America Car Show. Seems every year's show is just a little bit better than the one before. I'm already looking forward to next year's show.

New Member Bio – The Langstons

Carl and Katie Langston live in San Diego's Kensington neighborhood. They bought their 2013 Copper Red Mica this April at Bob Baker in Carlsbad. Color choice was intentional. Their MX-5 is used mainly on weekends and on trips, including Monterey in June and possibly the Northeast in fall.

What were you looking for in life that steered you into a Miata:

Have been riding motorcycles for 40 years; felt it was time to start transitioning to four wheels, but still want the wind in my hair and bugs in my teeth!

Carl is retired from the U. S. Navy. Their other family members are a daughter Carrie, lives in Texas with her husband and four children. They also enjoy Motorcycles, golf, travel and reading.

Previous sports cars:

1958 Berkely (British), 1970 MGB, 1962 Corvette, and 1977 Corvette

Favorite San Diego County road (so far):

Mesa Grade

The SAN DIEGO MIATA CLUB is a California nonprofit corporation. Twists & Turns is the monthly newsletter of the SAN DIEGO MIATA CLUB. Use of articles or stories by other Miata clubs is hereby granted, provided proper credit is given. Submissions to the newsletter are welcomed and encouraged. When possible, please e-mail your submissions to the newsletter editor. Submissions may also be mailed to the club's post office box. Submission deadline is the 15th of each month. The Editor reserves the right to edit all submissions.

Our Mission

The purpose of the club is to promote the enjoyment of, and enthusiasm for, one of the world's most exciting sports cars—the Mazda Miata.

Owning and driving a Miata is one of life's great pleasures, and adding the company and camaraderie of like-minded enthusiasts only enhances the experience. Won't you join the fun as we enjoy the beauty of San Diego County from the seat of a very special little roadster?
Let's have fun driving our Miatas!

Monthly Meetings

Our monthly meetings are a great opportunity to meet your fellow club members, ask questions, and share stories. **Meetings are held on the fourth Thursday of each month, except in November and December when on the third Thursday.** We meet at the Boll Weevil restaurant, 9330 Clairemont Mesa Blvd., in San Diego (between I-15 and SR 163). To contact the restaurant, call 858-571-6225. Many members arrive around 6. p.m. to enjoy meals, snacks, or beverages while chatting with their Miata friends. The informal meeting starts at 7 p.m. We guarantee you'll have fun.

August Monthly Meeting: **August 22, 2013**

Dues

Dues are \$35 per calendar year, for either an individual or a dual membership (two members in the same household). Members who join the club in the first half of the calendar year (January through June) pay \$35 for their first year; those who join in the second half of the year pay \$20 for the remainder of the year.

Badges

Have you noticed those engraved plastic name badges that other members wear? Would you like to get one? Badges are available in colors to match your car. The cost is \$10 each for badges with safety-pin closures, or \$14 each for badges with magnetic fasteners. Prices include shipping to your home. Dennis & Barb Sullivan handle the ordering. Badge request forms are available at the Regalia table at monthly meetings and on the club's web site. All orders must be prepaid.
